WHAT THEY SAID...

“We have seen this show getting bigger and bigger. The profile of companies who visit and exhibit has evolved and there’s a much wider interest and cross section of people who attend to understand the new industry developments at this edition. Our main goal was to be able to showcase our products, know what’s happening around us and meet companies we can develop business contacts with. I must say, the show has been a fruitful experience.

Mr Nakul Mehta, Managing Director, Bharat Bijlee Ltd – (Exhibitor)

exhibitors were satisfied with their participation

“India is a very big market for us. And we have been coming to India for more than 10 years now. IEE Expo has contributed positively for our business. It has helped us grow in India and expand our customer base. We really look forward to be here every second year. As always, the expo is well visited and we have a lot of customers and the platform provides us a good chance to catch up with them.

Mr Parag Mehta, Director of Engineering and Business Development, Blain Hydraulic (Exhibitor)

THE INDIAN TRAIL

KEY VISITORS AT THE SHOW

and many more...

“With the amount of infrastructural progress the city is witnessing, we are expecting many lift installations. For this upcoming industry, we are happy to join Messe Frankfurt India on this platform as they have given a common stage to all manufacturers, distributors, and dealers for business in a metro city like Mumbai.

Mr. S. R. Nalawde, Superintending Engineer, Industry Energy and Labour Department, Government of Maharashtra (Visitor)

“I was very impressed by all the exhibitors participating at the show. I have gained a lot of insights about the new developments in the industry and our company intends to utilise what we have learned to improve our products.

Mr Ko Tanaka, Managing Director, Mitsubishi Elevator India Pvt Ltd (Visitor)

“We are here for the exhibition second time and its really nice to be here. The show is quite informative.

Mr. Ashok, Sunrise Lifts, Vijaywada, Andhra Pradesh (Visitor)
